Att. Louis Ng,
Vancouver City Board of Variance,
c/o City Hall,
453 West 12th Avenue,
Vancouver BC V5Y 1V4.

November 13th, 2019

Dear Mr Ng,

Further to my telephone message of yesterday, it has come to our attention that a “variance” has been applied for to allow the opening of a cannabis store at 4317 Fraser Street, Vancouver; and that this variance, having once been refused, is now being appealed.

This location is under 300m from our school grounds and is a cause of some concern both to school parents and to members of the wider community.

We urge you to take account in your deliberations of the location of the proposed outlet in relation to a school of 1000 students, and to deny the appeal.

Please feel free to reach out to me if you have any questions or comments.

Best wishes,

Daryl Hutchings,
Chair,
Parent Advisory Council,
Sir Charles Tupper Secondary School
