Grant funds must benefit students by ENHANCING EXTRA-CURRICULAR OPPORTUNITIES. Tupper PAC seeks to provide support to a broad scope of opportunities that will maximize the number of students reached

Grant funds MAY NOT be used for the following:

- Curricular Activities or purposes (including computers & technology used for such)
- Substitute teacher TOC/EOC coverage
- Professional Development of staff
- Out-of-province aid or travel
- Debt/Loan/Interest payment

The PAC welcomes applications that support creative action to help with some of the challenges students are facing under COVID-19

A reminder that gaming funds are limited:

- Departments should take a coordinated approach to submitting grant applications.
- Administration should consider costs that can be funded from other sources.
- Clubs should keep grant applications below \$500

Funds left over at year-end do not roll over. Recipients leaving funds unspent will have that considered when reviewing subsequent requests.
